"On behalf of the support staff at Children's National Medical Center, I want to thank you for sharing so enthusiastically your Leaping Beyond Barriers message with our group. Carolyn Boswell,

"Thank you so much for honoring the invitation to speak at the 1st Annual Black Tie Dinner/Dance of the Ghanaian Professional Group. We really enjoyed your speech and your eloquence and extensive knowledge made an impact in the Ghanaian community, especially among the professionals who attended. We have been trying to find a way to educate the members of the community and you did more than that. Once again, thank you."

Mr. Ebenezer Antwi-Nsiah,
President Ghanaian Group

"Dear Sylvia, I just wanted to let you know how delighted I was to attend your workshop "Unleash the Winning Leader Within!" My only regret is not having met you 40 years ago. I've made a lot of decisions in life based more on fears of not succeeding than on confidence that I could accomplish my goals. You reminded me that it's never too late and will keep your enthusiasm in mind always."

Susette C. Percy,
Student Services, Valencia Community College, FL

Just wanted to say a hearty "Thank You" for the speech "Unleashing the Winner Leader Within" given at the JLG Awards Banquet. The speech was very motivating, encouraging, and very timely. With current downturn in business that is beginning to pick back up, resulting in leaders doing more with less, this speech was a much needed reminder and breath of fresh life. Your presentation was very appropriate for the mixed audience present and your use of JLG relevant examples allowed the JLG team members to relate to the speech. Thanks so much for your willingness to speak at this event. Looking forward to working with you in the future.

Debbie Chatley,
Management Club President, JLG Industries
