"Thank you for your 'Nobody Likes A Bully' program to Worton Elementary School. The students were very attentive during your presentation. It is an important message and one that schools try very hard to teach children throughout the year. I was most impressed when you taught the dance routine. The children loved dancing to the music and feeling the success when they learned the routine."

Jill Bramble, Worton Elementary School Cultural Arts Program Coordinator

"I attended the Mother/Daughter Tea, and I just want to thank Tamika for telling her story, keeping it real, and putting it in a language where these children can understand. She was so transparent, so down to earth, where she is on the level where these teen girls can relate to her."

Gail Blanchford, Parent

"Mrs. Tamika's presentation was so good. It made me think about how I relate to guys, how to talk to them, and how I should respect myself. I learned that I'm pretty too and that I should expect respect like everyone else."
